Must Haves

Based on the vote, we need Everyone to:

1. Add the structure of each program, initiatives, policy, etc. in their database. (Is it organized as a government, non-profit, citizen's group or for-profit entity?)
2. List all the initiatives' "partners" and how they are connected to the initiative (Is the partner a true partner (shared work), referral source, funder, advocate or affiliate for the initiative?)
3. Send strategic plan objectives (related to behavioral health or community services).

Should Haves

(needed, but not as much as Must Haves)

Commitments:
